

2023

PEAK SEASON CALENDAR

Our Firey Trails calendar consists of mainly two parts, non-primetime months of January through August and then our Prime season of September, October, November & part of December. We are technically open to scheduling year round but tend to

want to take a break during the January and February months. This calendar covers our prime months of **September through December**, the prime event evenings being **Friday, Saturday and Sundays** which are the most desired and the most scheduled and pre-scheduled a year in advance. We are open to scheduling on other days and evenings (upon your calling to see if a time is available). Hayrides can be included with no extra cost in the prime time months but are \$50 extra (one time charge) outside prime months. Thanks.

All **Friday, Saturday, and Sunday evenings** in our peak months of **September, October and November and part of December** are the first scheduled and pre-scheduled a year advance and are considered a Prime Time Rate time frame with a greater minimum rate for up to 30 people. Please see graduated rates for more people. **These Dates are First Come - First Served**

Saturday afternoon's may or may not be available depending on event type. Please call us with more information.
