PEAK SEASON CALENDAR

Our Firey Trails calendar consists of mainly two parts, non-primetime months of January through August and then our Prime season of September, October, November & part of December. We are technically open to scheduling year round but tend to

want to take a break during the January and February months. This calendar covers our prime months of **September through December**, the prime event evenings being **Friday, Saturday and Sundays** which are the most desired and the most scheduled and pre-scheduled a year in advance. We are open to scheduling on other days and evenings (upon your calling to see if a time is available). Hayrides can be included with no extra cost in the prime time months but are \$50 extra (one time charge) outside prime months. Thanks.

All **Friday, Saturday, and Sunday evenings** in our peak months of **September, October and November and part of December** are the first scheduled and pre-scheduled a year advance and are considered a Prime Time Rate time frame with a greater minimum rate for up to 30 people. Please see graduated rates for more people. **These Dates are First Come - First Served**

New Saturday Policy *(As of August 1, 2023)*

Not all Firey Trails events include hayrides. Hayrides were more central in the past and still are popular in the Fall on some events. Since Saturday **DAY EVENTS** conflict with our Main Business hours on that day, and Ray Firey cannot be available to give hayrides, our new policy for now is:

Saturday 2:00-5:00 Events (No hayrides available)
Saturday 5:00-8:00 or after (Hayrides Available)

(Event rate - with or without optional hayrides - is not affected)
