PEAK SEASON CALENDAR

Our Firey Trails calendar consists of mainly two parts, non-primetime months of January through August and December, and then our Prime season of September, October and November. We are technically open to scheduling year round but tend to want to take a break during the January and February months. This calendar covers our prime months of **September, October and November**, the prime event evenings being **Friday, Saturday and Sundays** which are the most desired and the most scheduled and pre-scheduled a year in advance. We are open to scheduling on other days and evenings (upon your calling to see if a time is available.) Thanks.

All **Friday, Saturday, and Sunday evenings** in our peak months of **September, October and November** are the first scheduled and pre-scheduled a year advance and are considered a Prime Time Rate time frame with a greater minimum rate for up to 30 people. Please see graduated rates for more people

Saturday afternoon time frames, any evening through the week (**Monday-Thursday**) and **any other date in months except Sept-Oct-Nov** is considered Non-Prime and has a lesser minimum rate for up to 30 people. Please see graduated rates for more people
