*This is the 43rd Annual Carter Reunion, after having to skip 2020 because of COVID - The reunion began in 1979. NEW for 2023 - It might be nice to know who's planning to come (we know that with some, it's just not possible.) So if you could text a **RSVP** to Diana Firey at 918-639-0002 and tell us you're planning to come and how many are with you, (or email me at rdfirey@gmail.com, this would be great and help us plan better. Thanks.)*
