*This is the 44th Annual Carter Reunion, after having to skip 2020 because of COVID - The reunion began in 1979. Again in 2024 - As last year, to save expensive postage, we will not be mailing out notices but to one or two. It would be nice to know who's planning to come. So if you could text a **RSVP** to Diana Firey at 918-639-0002 and tell us you're planning to come and how many are with you, (or email me at rdfirey@gmail.com, this would be great and help us plan better. Thanks.*
